

Distribution Services

Every distribution company promises the same basic services.

ADI is unique for two reasons:

1. We don't promise. We deliver.
 2. Our value-added capabilities are unmatched in the industry.
- Even if you think it can't be done or it's too late, let us prove you wrong.
Below are highlights from our comprehensive service offering.

Basic:

- ▶ Pick & pack (by piece, SKU, style, etc.)
- ▶ Retail store distribution
- ▶ Replenishment/fulfillment programs
- ▶ Cross-docking & transloading
- ▶ GOH, open & hang, picking & storage
- ▶ High-Density Storage (HDS)
- ▶ Returns/reverse-logistics programs
- ▶ Inventory control (JIT)

Value-added:

- ▶ Assembly, repacking and kitting
- ▶ Ticketing, marking and bundling
- ▶ Quality control inspections
- ▶ SKU/UPC verification and application
- ▶ Hanger/sizer/polybag application
- ▶ Label/care label sewing
- ▶ EDI processing
- ▶ Pick ticket/invoice/UCC label printing

If you're a manufacturer, importer or distributor, you know that, when it comes to logistics, a million things can go wrong. And they usually do. All at once.

Now you can do something about it.

ADI is the just-in-time logistics company with expertise in distribution, freight and trucking services throughout the continental US – for the next time you need a miracle.

Facility features:

- ▶ 185,000 sq. ft. modern building (built in 1997)
- ▶ Centrally located, near all NY/NJ piers, railroads and airports
- ▶ 40-foot ceilings (top of freight 36 inches)
- ▶ 22 bay doors (including 10x10-foot doors for large air containers)
- ▶ Enhanced lighting
- ▶ ESFR (Early Suppression Fire Response) sprinkler system
- ▶ Central-station, UL-rated alarm system
- ▶ Multiple shift capabilities (including 24/7)

About us:

ADI Logistics (ADI) was established in 1994 to provide the most intelligent and efficient distribution, freight and trucking services network in the continental US. Today the company serves hundreds of manufacturers, importers and distributors, shipping to the largest retailers in the country.

With strong roots in the apparel/fashion industry – known for its exacting standards and unforgiving delivery requirements – ADI now addresses a wide range of markets, from office and medical supplies to electronics and sporting goods.

At ADI, technology is used to enable end-to-end visibility and control, but also to help “keep it simple”.

With an emphasis on customer care, ADI service reps are all management level. They, along with an individually tested and trained staff, convey a *can-do* attitude, best expressed by the company slogan, “Expect a Miracle”.
